March/April 2009

A great turnout for the club so far

TOUCH WOOD the weather has been kind so far this year and we've had a marvellous turnout for shows, whether area, Mercian or members only events. The results so far are overleaf - well done everyone.

We've also welcomed loads of new members - some completely new, some returning after absence and some joining just to be involved even though they have no horse of their own.

Help is invaluable to ensure events are run smoothly and safely and we hope everyone will help out at something this year - it's a great way to get to know people.

The tack and tuck social at The Kennels was also a great success. Free nibbles and the opportunity to sell unwanted tack and clothing meant many people left better off than when they arrived! They were also able to visit the various stands about all our activities and find out what's what.

The next social is a skittles night at The Kennels, with a hot supper (burgers and hot dogs), on Friday, April 24. Contact any committee member for your ticket, just £7.50 per person.

The next club competition coming up is the CT &

• *Beth Evans*

• *Natalie Lindsay*

Dressage on Saturday - spectators welcome - then the area cross country/hunter trials on April 25 for which we have a team for each of four classes - another great turnout. Please remember that saddlecloths with the new club logo embroidered on each side are available from Sarah Lovatt at

cost price thanks to sponsorship from Treehouse Sporting Colours. They do help identify other team members! There are also polo shirts, jerkins and fleeces in a wide range of colours and sizes, all with the pear logo.
